

July 6, 2009

Dear O.S.L.A. Board Member,

It was a pleasure to speak to you at your May 23, 2009 Board meeting. I incorporated your ideas about character education into the attached first two lessons. If you have any additional suggestions, please email them to myself or Mary Cook as soon as possible as the research, writing and translation are in full swing.

You may wish to print the English and French posters back to back—following up on another suggestion to use both sides. The files are large and so not to clog your IN box, have posted them on the website. Just go to [www.readingandremembrance.ca/2009.html](http://www.readingandremembrance.ca/2009.html) and click on the English and French poster to download your copies.

If you would like to have posters mailed to you for schools in your region, please email the address where you would like to have them sent.

Thank you for your support of *Reading and Remembrance 2009: Medals and Memories*.

Regards,

Angie Littlefield and Mary Cook, Project Managers  
Reading and Remembrance
